The competition for employees is intense right now, and holding on to the ones you have isn’t easy, either. It is expensive to train new workers and when you have to do it over and over again... *well...* you know as well as we do that its far better just to keep the ones you have!

Businesses have tried (almost) everything: offering health insurance, paid time off, big bonuses, you name it. Here is one that you probably haven’t thought of: **regular deliveries of big piles of produce to distribute to your employees!**

Dynamite Harvest is ready to **deliver** that produce!

Located just south of 29 smack-dab between Eau Claire and Wausau, it is well-placed to serve those cities as well as Greenwood, Loyal, Stanley, Thorp, Spencer, Marshfield, Neilsville, Black River Falls, Steven’s Point, Medford, and places in between.

But how much does it cost?

We know that the bottom-line matters, so know this:

**! We will work with your business or organization to supply the
